to time, if the capacity of the district's facilities permit, make additional Benefit Units available. Subscriptions for Benefit Units shall be given preference and priority in order in which received. The Board may refuse the subscription for a Benefit Unit in favor of a particular tract of land located within the District, or impose special conditions on granting the same if in the judgement of the Board, the granting of such subscription and the furnishing of water pursuant thereto, would impair the service to other water users in that locality or be uneconomical, unfeasible, and place an undue burden on the district.

The landowner, however, may appeal the Board's decision pursuant to Section 1, Article 6 above.

Section 4. Benefit Units shall follow the title of the land unless the owner of the land designates otherwise.
